Bring them here!

In 2012, Flushing Town Hall celebrates its 150th anniversary! Built in 1862 as a community gathering place, later a theatre for light opera and circus, and the first Queens County Savings Bank, Flushing Town Hall is far more than just a historic site. Lovingly restored in 1999, FTH is now a dynamic multi-arts center, and one of the most versatile spaces in all of Queens. Did you know that the building houses a jail cell? Or that rentals have included a Punjabi wedding and a Nigerian engagement party? Today, over 30,000 community members of all ages and cultural backgrounds are served annually by acclaimed programs in Jazz, World and Classical music, Puppetry theatre, Family and School programs, Master Classes, workshops, and more. We invite you to come often to THE gathering place for our community of artists, and arts-lovers – a place to bring your family, bring a date, have a banquet – Bring them here!

It is made possible, in part, through the generous support of the MetLife Foundation.

SYMPHONY SPACES 2012 COMPOSERS NOW FESTIVAL celebrates living composers, the diversity of their voices and the significance of their musical contributions to our society. During the month of February, Composers Now presents dozens of concerts in venues throughout the city. Thanks to our members, volunteers, and interns.
